

PIE - Partnering Industry and Education

To All of my AWI Friends and Colleagues:

On Tuesday, June 12TH at 4:00 PM, PIE will honor two students from Pinkerton Academy (PA), this year's recipients of the PIE Scholarship. The scholarship was funded through a collaborative effort of Hampshire Hardwoods and The Anthony Galluzzo Corp. (TAGC). A special project (custom display racks for Hampshire Hardwoods) involving design, engineering and woodworking students from PA and engineering, shop and finish employees from TAGC, was taken from concept to final completion over the past school year. Each stage of design, engineering and fabrication was a hands on learning experience for the students who participated.

I would like to personally invite each of you to stop by and learn about the special project, the scholarship, and the PIE initiative (modeled after AWI's "Adopt-A-Shop" initiative), and to congratulate the two scholarship recipients.

Joe Galluzzo
