

How to join LinkedIn:

Go to www.linkedin.com:

Enter your name and email address on the right side of the screen, and create a password. Then click “Join Now”

This will then take you to a screen that asks for a little more information—it is quite intuitive. Once you get established there you want to do two things:

1. Join the group “Maine Medical Association”. This is a two step process that requires you to ask to join the group followed by someone at MMA approving this (verifying that you are a member or have a significant connection to MMA).
2. Invite president@Mainemed.com to join your panel of contacts.

If you have any problems doing this please email me at president@mainemed.com.

Dave McDermott, MD
President, Maine Medical Association.
