

Code with Confidence

American Academy of Professional Coders Approved Medical Coding Certification Course

Instructor: Jana Purrell, CPC-I

Course Details: This 20 week course, developed by the American Academy of Professional Coders (AAPC), will take students through the 2008 Current Procedural Terminology (CPT), International Classification of Disease (ICD-9), and HCPCS books to address proper coding in physician practices. This class is intended to educate students on proper techniques and rules of coding and will also prepare them to sit for the AAPC Certified Professional Coder (CPC) exam.

The Program includes the following:

- ◆ One year membership in the AAPC
- ◆ Student workbooks
- ◆ CPC exam
- ◆ Group discussion and networking opportunities

COST: \$1750, INCLUSIVE

\$800.00 NON-REFUNDABLE DUE PRIOR TO JUNE 30, 2008. BALANCE DUE BY FIRST CLASS.

Prerequisites:

Two years coding experience, understanding of anatomy and medical terminology is strongly recommended.

Course Requirements:

- ◆ 2008 Current Procedural Terminology (CPT) Book (Professional Edition strongly recommended)
- ◆ 2008 ICD-9-CM Book
- ◆ 2008 HCPCS Book
