Silver Sponsors Announced for the 2017 Glazing Executives Forum

The National Glass Association (NGA) is pleased to announce [Quanex Building Products](#), [Tremco Inc.](#), and [Guardian Glass](#) as Silver Sponsors for the 12th annual Glazing Executives Forum, taking place September 12, 2017 at GlassBuild America in Atlanta.

The [Glazing Executives Forum](#) is the glass and glazing industry's foremost education and networking event bringing together industry executives from around the country. This year's attendees will see Cam Marston, generational expert and keynote speaker at the GlassBuild Opening Session; "25 Years of Top 50 Glaziers," presented by Katy Devlin, editor in chief of Glass Magazine; and the much-anticipated annual economic forecast by Alex Chausovsky of ITR Economics. Also featured will be the state of the industry by Julia Schimmelpenninck of Eastman Chemical Co., and Solution Session roundtable discussions—moderated by industry experts and connecting glaziers to share common challenges and solutions.

As previously announced, YKK AP America Inc. is the Gold Sponsor of the event. Registration is open, with discounted rates available for NGA members. For more information and to register for the event, [CLICK HERE](#).

ABOUT GLASSBUILD AMERICA

Now in its 15th year, GlassBuild America: The Glass, Window & Door Expo is the largest and most comprehensive event for the entire glass, metals and window and door industries in the Americas. Held annually, GlassBuild America is presented by the National Glass Association and the Window & Door Dealers Alliance, along with association sponsors: the American Architectural Manufacturers Association, the Glass Association of North America and the Insulating Glass Manufacturers Alliance, and in conjunction with the industry's leading publications – Glass Magazine and Window & Door. For more information, visit www.GlassBuildAmerica.com.

ABOUT NGA

Founded in 1948, the National Glass Association (NGA), www.glass.org, is the largest trade association serving the architectural glass and metals industry, and represents the interests of glazing contractors, glass retailers and glass fabricators. The NGA provides education and training programs for member companies through its online training site MyGlassClass.com, and keeps them informed through the [Glass Magazine's](#) print and electronic publications. The NGA also produces the industry's largest annual trade show in the Americas, [GlassBuild America](#), and hosts the [Glazing Executives Forum](#) bringing together thousands of industry professionals to help them build more profitable businesses.
