ARUN BANERJEE JOINS GRC SOLUTIONS AS MANAGING PARTNER

NEW YORK, NY, July 23, 2019 – GRC Solutions, LLC (“GRC”), announced today that Arun Banerjee has joined the firm as Managing Partner. In this role, Mr. Banerjee has overall responsibility for the management and operation of GRC as well as business development. He will focus on driving growth in several key areas, including Financial Crimes Remediation Projects and Lookback Reviews, AML Technology Deployments and Integrations, Model Validations and Governance, and Compliance Testing.

“I am proud to welcome Arun to our team, and we have every confidence in his leadership and strategic direction,” said Michael E. Rokos, Executive Director of GRC Solutions. “The Board and I look forward to working closely with Arun to continue our commitment of enabling excellence through continuous innovation. We are confident that GRC under Arun's leadership shall offer great value to our customers resulting in growth and new business opportunities.”

Mr. Banerjee is a recognized industry expert in the areas of financial crimes risk management, regulatory compliance and operational risk management. He brings over 18 years of advisory experience to his new position. Prior to joining GRC, Mr. Banerjee served as Managing Director and Chief Revenue Officer at a global regulatory and financial crime, risk and compliance firm. He also previously held senior leadership positions with Dow Jones, Kroll, and Goldman Sachs and has specialized in risk and compliance and developing solutions for domestic and foreign financial institutions.

Mr. Banerjee earned a J.D. from the Benjamin N. Cardozo School of Law at Yeshiva University and a bachelor's degree from Vassar College.
