[Florists Are Going Extinct](#)

posted:18 HOURS 25 MINUTES AGO **comments: 0**

filed under: [Marketplace](#), [Careers](#)

Forget your anniversary and need to stop by a florist on the way home? In a few years, that may not be possible. Internet florists are driving out independent shops. Telephone operators are also on thin ice. [AOL Careers](#) has a list of 10 evolving jobs and offers alternatives for those on the firing line.
